

TAHPERD ■ PROUD LEGACY ■ BRIGHT FUTURE CAMPAIGN

# FREQUENTLY ASKED QUESTIONS

## **Why is TAHPERD building its own building?**

We have long since outgrown our current space and can serve our members better in a larger more stable setting. TAHPERD has paid rent for its office space for the last 15 years. The volatility of the Austin real estate market creates a precarious environment when preparing and maintaining a stable office space budget. Owning our own building also signifies a long-term commitment to the development of knowledge and programs that promote active, healthy lifestyles and enhance skilled, aesthetic motor performance, the HPERD profession and our members for many years to come.

## **Where is the new building located?**

The new building is approximately two miles from our current office location. It is one mile east of IH 35 on the north side of Highway 183 and west of Cameron Road.

## **How much money does TAHPERD need to raise?**

Our campaign goal is \$250,000, which will be used in part for the building construction costs, furnishings, equipment, and relocation expenses. The total investment for land, construction, and furnishings is \$1.2 million.

## **How long will the Proud Legacy - Bright Future Campaign last?**

The campaign will be initiated during the 2005 TAHPERD Convention in Corpus Christi and conclude during the 2006 TAHPERD Convention in Fort Worth.

## **Why should you participate in the Proud Legacy - Bright Future Campaign?**

- Honor and continue the proud legacy of TAHPERD.
- Provide a permanent home for the role TAHPERD plays in HPERD issues past, present and future.
- Help to build a strong foundation for TAHPERD's bright future.
