

**McMurry University
School of Education
Department of Kinesiology
Assistant Professor**

The Department of Kinesiology invites applications for a full-time tenure track position beginning in Fall 2012, pending budgetary approval. The position is designed for an exercise science/allied health specialist. The successful applicant must have a broad understanding of these multidisciplinary fields and the role of the small church-related university in higher education. Applicant must be willing to serve as an academic advisor to majors/minors in one of the university's largest programs, and to assist with sponsorship of the major's club. Applicant must be willing to teach a variety of courses according to background, interests, and professional preparation. The following will guide the search committee in their selection:

- (1) A doctorate in exercise science or Allied Health. (ABD considered)
- (2) Experience and/or commitment to working collaboratively on a team
- (3) Commitment to McMurry's mission and Core Values.

To Apply:

Review of applications will begin January 17, 2012 and continue until position is filled. Qualified candidates should submit a letter of application, vitae, and names of three professional references with contact information to:

Dr. Pug Parris, Director
