

Kinesiology - Motor Behavior/Measurement/Adaptive Physical Education

The Department of Health and Kinesiology at Sam Houston State University is seeking applicants for a full-time tenure-track position as an Assistant/Associate/Full Professor in Motor Behavior, Measurement, and/or Adaptive Physical Education. The candidate that is selected for the position will join an outstanding faculty that is housed within the College of Education. The Department of Health and Kinesiology has approximately 800 undergraduate students and 40 graduate students within its various program tracks including Exercise Science, Health, Kinesiology, Physical Education Pedagogy, and Sport Management. Applications will be accepted until January 31, 2009 or until the position is filled. Sam Houston State University is an Equal Employment Opportunity/Affirmative Action Institution. The Department of Health and Kinesiology is committed to building a diverse academic community and encourages members of underrepresented groups to apply.

Position:

Assistant/Associate/Full Professor- Tenure Track

Degree Requirements:

Earned Doctorate in Physical Education/Kinesiology/Exercise Science or related field. ABDs with a firm completion date prior to June 2010 will also be considered.

Experience Requirements:

Applicant will be expected to teach coursework within the Kinesiology teacher certification and non certificate degree option. Teaching experience at the university level, evidence of scholarly productivity, and involvement in professional organizations is desired. Ability to teach undergraduate/graduate courses in the following areas: motor learning, motor programming, assessment/measurement, and/or adaptive physical education.

Environment:

Sam Houston State is located in historic Huntsville, one quarter of the way from Houston to Dallas, at the boundary between the Piney Woods region of East Texas and the Prairies and Lakes region of Central Texas. The university has an enrollment of approximately 16,400 students and a faculty of 650.

Usual Duties:

Teaching undergraduate/graduate courses, serving on department, college, and university committees, performing scholarly and research endeavors, and representing the department in community and professional settings.

Salary:

\$50,000 - \$70,000 (9 months)

Submission Deadline:

January 31, 2009 or until position is filled

Beginning Date:

Fall 2010

Requisition:

5490

Contact:

Please mail a hard copy of your faculty application, current vita, and 3 letters of reference to apply for this position
