

Submitting Your Idea...

Interested parties should complete the appropriate Presentation Proposal Form and return it by the proposed deadline. Each presentation must be submitted on a separate form — make copies of the form if necessary.

Once Submitted...

Your programming idea will be forwarded to the program planning committee to be evaluated on the following criteria: overall quality and innovation, relevance to the appropriate health, physical education, recreation and dance discipline, well-defined focus, sound research/theoretical basis, and practical application of materials. Notification of acceptance or rejection will be mailed to you from the TAHPERD Office by April 15, 2019.

Limitation of Participation...

By TAHPERD policy, the number of presentations which an individual can give during any one conference is limited to two. However, an individual may, in addition, be part of a discussion group or panel which is coordinated by another person.

Membership/Registration Requirements...

There is no fee to submit a presentation proposal. However, individuals selected as presenters who are involved in the fields of health, physical education, recreation, and dance, are expected to pay their own travel costs, hotel accommodations, and the conference registration fee as well as be a current member of the Texas Association for Health, Physical Education, Recreation, and Dance. Please explain this policy to all individuals you invite to participate in your program.

Guidelines for Presenters

35th Annual Summer Conference | Embassy Suites Hotel | San Marcos, Texas

The Summer Conference is designed to provide TAHPERD members the opportunity to share instructional ideas with their colleagues. The Conference has approximately 60 sessions that present ideas, programs, and issues in the areas of health, recreation, dance, and college programs in HPERD. Session proposals are welcome and each will receive careful professional review prior to selection so that a varied and creative conference can be provided.

Specific Guidelines

- 1. Texas presenters **MUST** be TAHPERD members. In some instances out-of-state proposals may be considered in which case membership rules will be modified.
- 2. No presenter will be paid or receive an honorarium.
- 3. Each presenter **MUST** register and pay conference fees.
- 4. Although all proposals will be considered, preference will be given to those who have not presented at recent TAHPERD events.
- 5. **Presenters MUST agree to provide handout materials for the Conference Manual.** These handout materials are so important to our members that failure to provide handout materials may result in the cancellation of presentations. Handouts must: not exceed six (6) pages in length, be printed on only one side, be originals (no faxes or photocopies will be accepted), be original compositions. Handout materials must be e-mailed to lisa@tahperd.org by **June 1st** for inclusion in the manual. Because of copyright laws, copy must be written in your own words and with your own illustrations. Photocopies of textbooks, web pages and/or other published copyrighted material will not be accepted *without written release from the author/publisher.*
- 6. The submission of a proposal and its acceptance by reviewers signifies agreement to allow the video taping of your session by others.
- 7. The distribution and sale of promotional materials and touting of commercial ventures by presenters is prohibited during conference sessions. Sale of items or services is strictly reserved to those exhibiting companies who sell items in the exhibits area only.
- 8. The sale of copyrighted materials (i.e. those items held in copyright by anyone other than the seller) is prohibited. This includes written material, audio and video tapes, and music.
- 9. Presenters must consider and abide by standards of safety and age appropriateness when selecting and presenting program activities. Guidelines for such activities are outlined in the **SHAPE America National Standards at www.shapeamerica.org/standards**. In consideration of liability issues, the Convention Directors and/or appropriate TAHPERD officers/staff may terminate any program deemed to be hazardous to the health and safety of the participants.

As a presenter I have read and understand my responsibilities as outlined in these guidelines and agree to abide by these guidelines in my presentation.
