Topic: House Bill 1495

In reference to the Texas House Bill 1495, passed in the 86th Legislative Session, Local Government Code Section 140.0045 was amended to require school districts to include a line item indicating expenditures for “directly or indirectly influencing or attempting to influence the out come of legislative or administrative actions, as those terms defined in Section 305.002, Government Code” in their proposed budgets.

Districts paying TAHPERD membership fees/dues for teachers, we thank you! The support given to teachers to enhance their professional growth is invaluable. Please be advised that .08 percent of TAHPERD’s membership fees/dues are used for advocacy related activities.

If you have questions, please contact me.
